How to Build the Events Calendar Slider Demo

https://www.metaslider.com/docs/events-calendar-slider-demo/

This guide shows you how to create the design seen for the Events Calendar Slider demo from the MetaSlider Demo site.

MetaSlider can dynamically display slides based on events created using The Events Calendar plugin, using the featured image as the slide. This guide has more details on the integration.

To get the same look for your slideshow, use the settings in these screenshots below. This slideshow is using the "Highway" theme. Please note that these screenshots are taken with MetaSlider Pro. This slideshow cannnot be built with the Free version.
