Themes Available for Slideshows

Slideshow: Themes · https://www.metaslider.com/docs/more-themes/

In this guide, we'll introduce the themes that you can choose for your MetaSlider slideshow. These themes are presented in the same order as you'll find them in the MetaSlider admin area, and with the same screenshots.

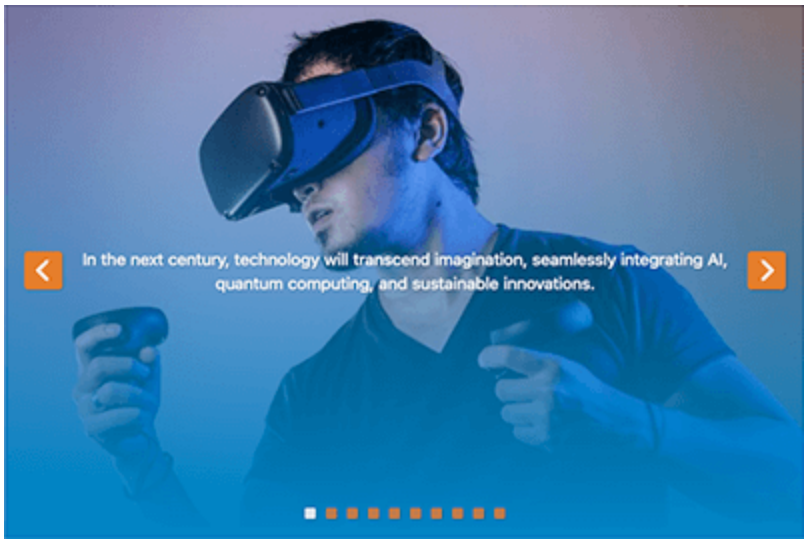

Base Theme

Base is the default theme that displays when you first install MetaSlider.

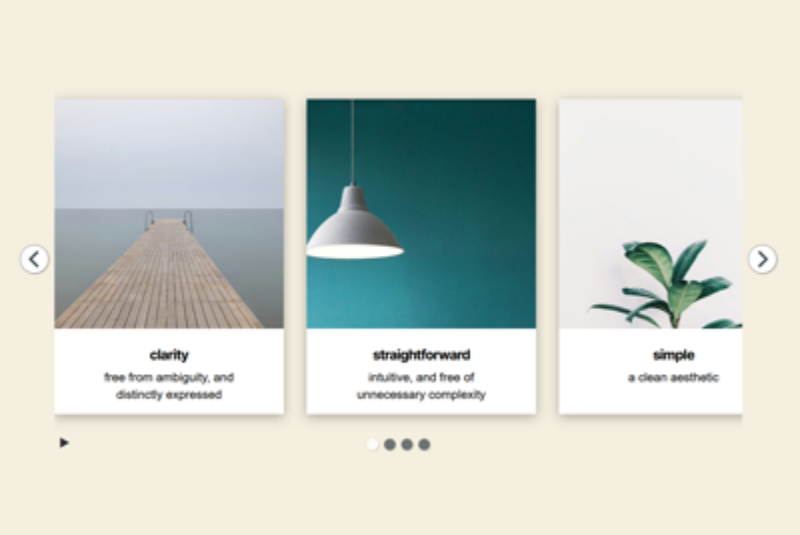

Bitono Theme

Bitono is a minimalist theme with a 2-color scheme. This theme has a subtle gradient overlay.

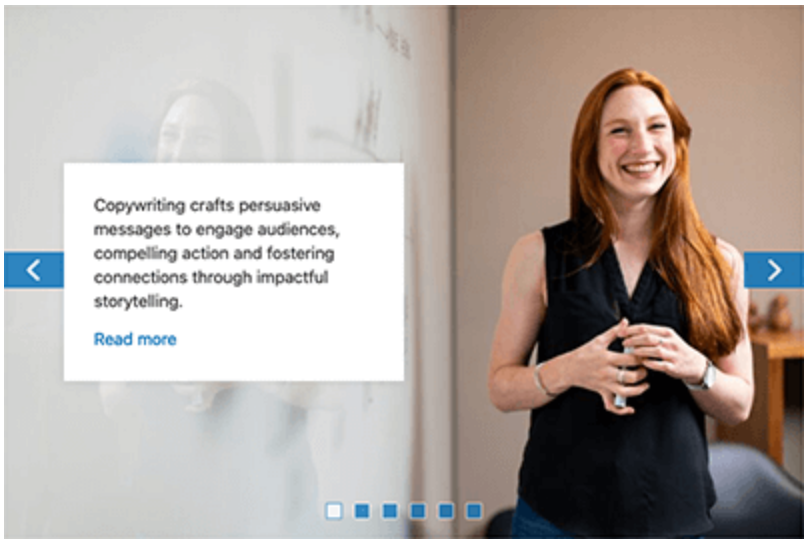

Clarity Theme

This theme is specifically designed for accessibility with clear, obvious elements and color schemes. This design also follows the best layout and coding practices for accessible slideshows.

Databold Theme

With this theme, both the caption and the image are given equal weight. The caption is shown on a clear white background.

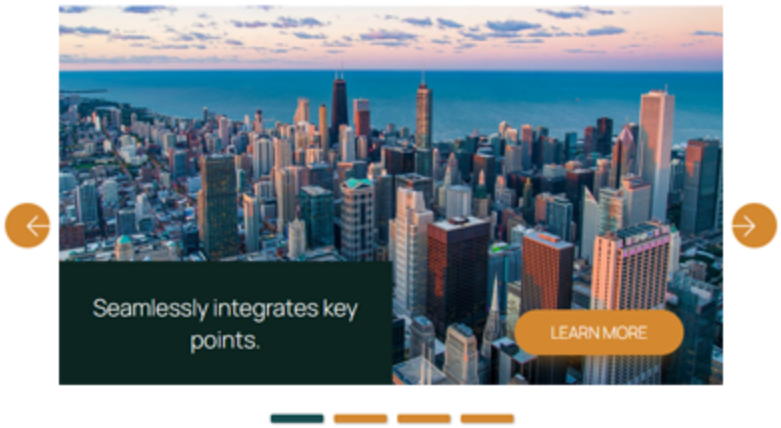

Draxler Theme

This theme places the caption and the navigation arrows to the top of the screen.

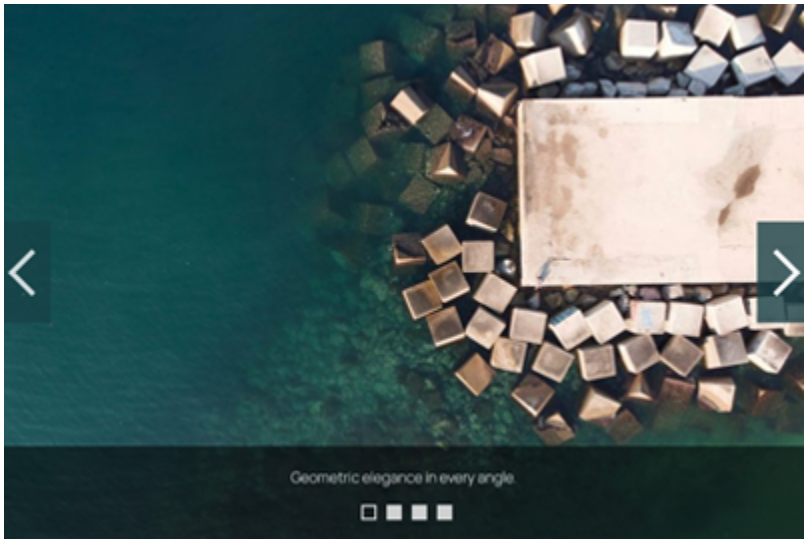

Nexus Theme

Featuring a built-in button with custom link, Nexus showcases your image, the caption, and the link that you want visitors to click.

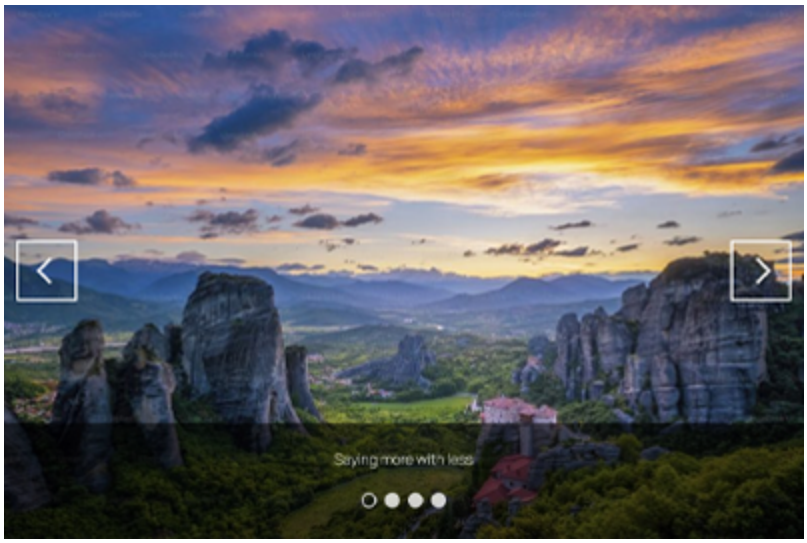

Cubic Theme

Cubic is a simple, slick square design that looks good on darker images:

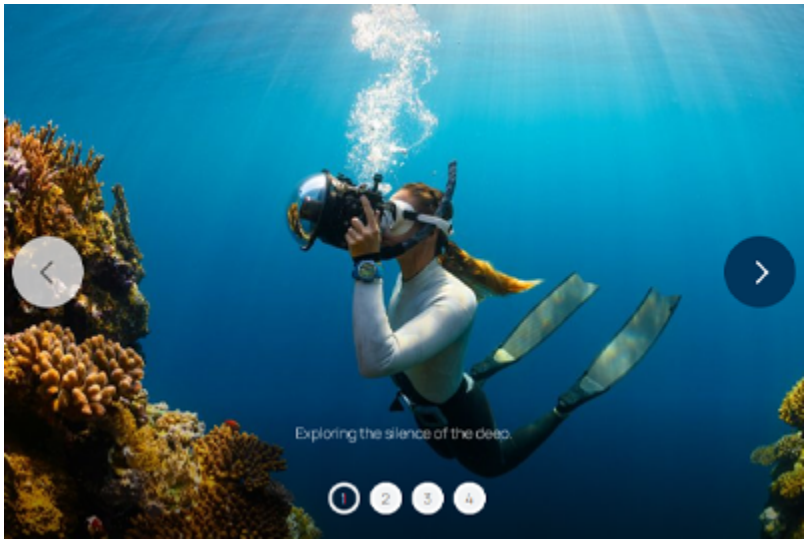

Outline Theme

Outline is clean, subtle theme that features block arrows and bold design.

Bubble Theme

Bubble is a fun, circular design to brighten up your site. This theme works well with dark images.

Simply Dark Theme

Simply Dark is a minimalist, no-frills design that was built to blend in with most themes.

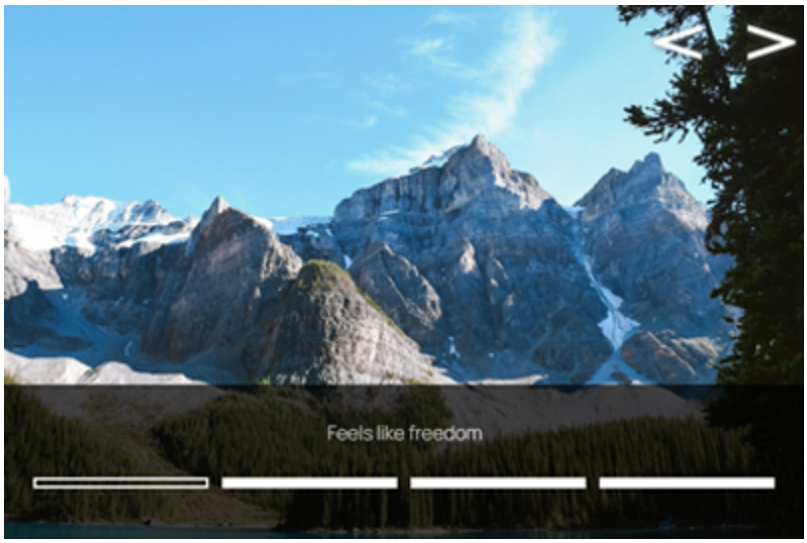

Jenga Theme

The Jenga theme places the controls vertically for a unique look.

Disjoint Theme

The Disjoint theme is futuristic and linear design that goes will with a dark background.

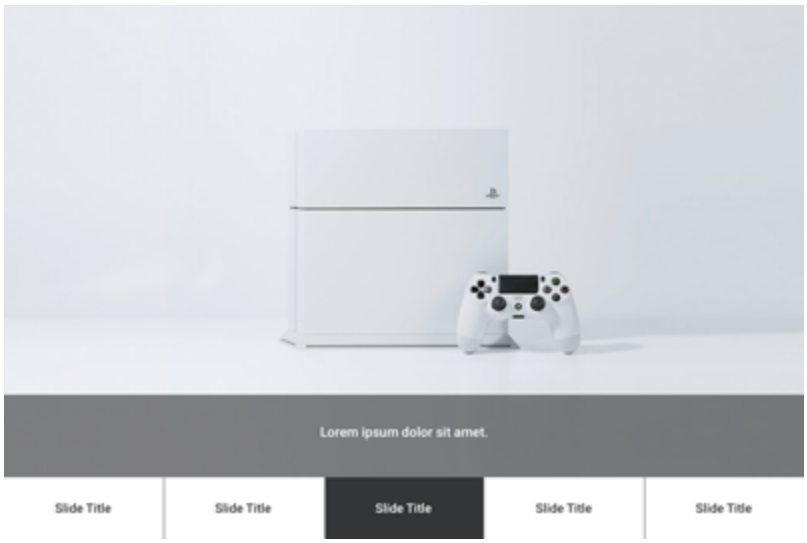

Blend Theme

Blend places all the key features on the bottom of the slide: numerical pagination, captions, and navigation arrows.

Precognition Theme

The Precognition theme has a special additional functionality that uses image titles as the slide navigation.

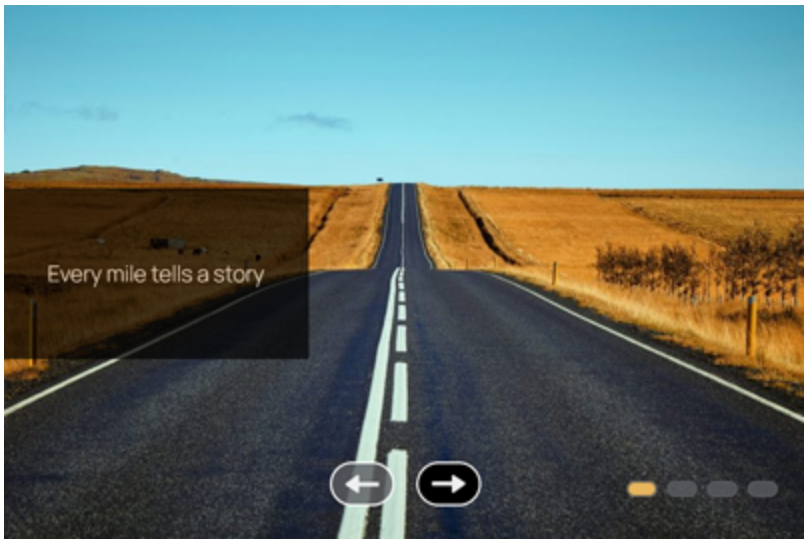

Radix Theme

The Radix theme has a unique design that gives it a sophisticated look.

Highway Theme

Highway is a bold and clear design that works well on a darker images.

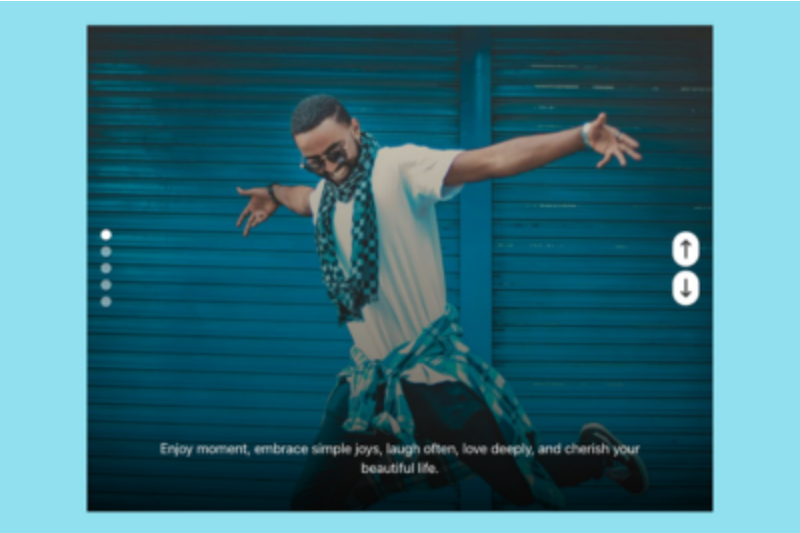

Architekt Theme

The Architeckt is a minimalist theme that gets out of the way so you can showcasing your beautiful pictures. The caption and navigation are placed underneath the image.

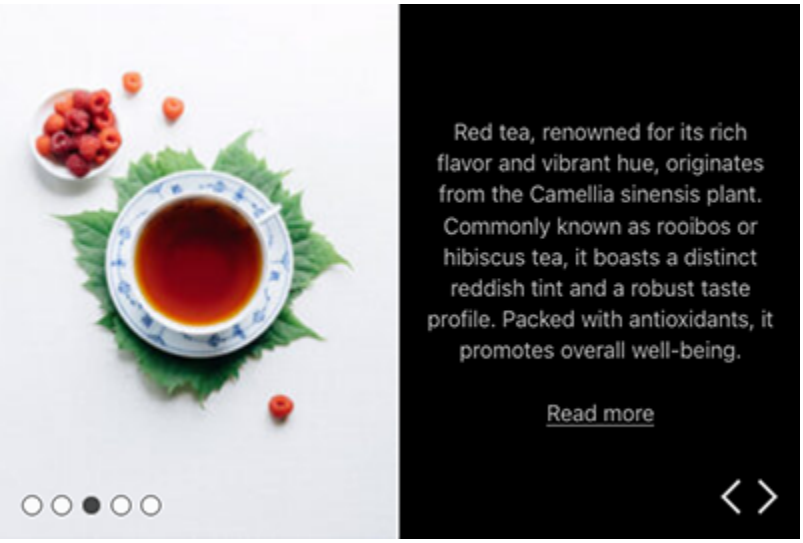

Cascade Theme (MetaSlider Pro only)

This is a vertical theme that is perfect for short-form videos.

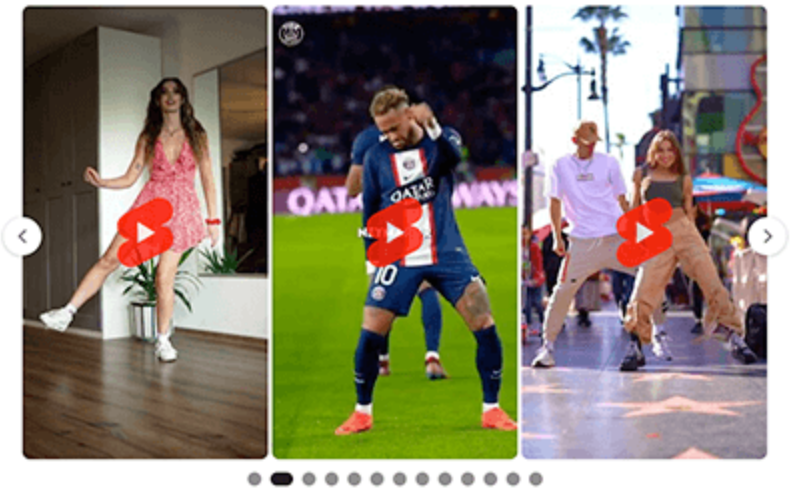

Retsu Theme (MetaSlider Pro only)

This is a 50/50 theme where the caption is given half of the screen.

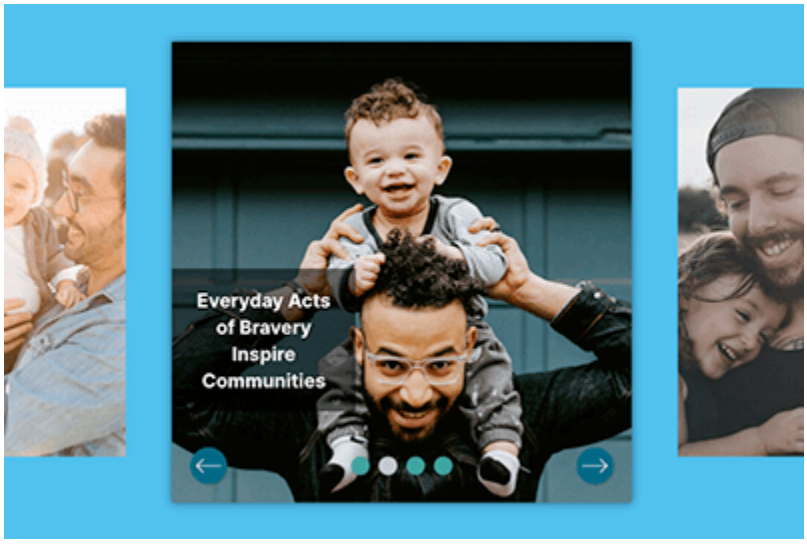

Social Play Theme (MetaSlider Pro only)

This theme is designed to showcase vertical images and videos, particularly TikTok videos and YouTube shorts.

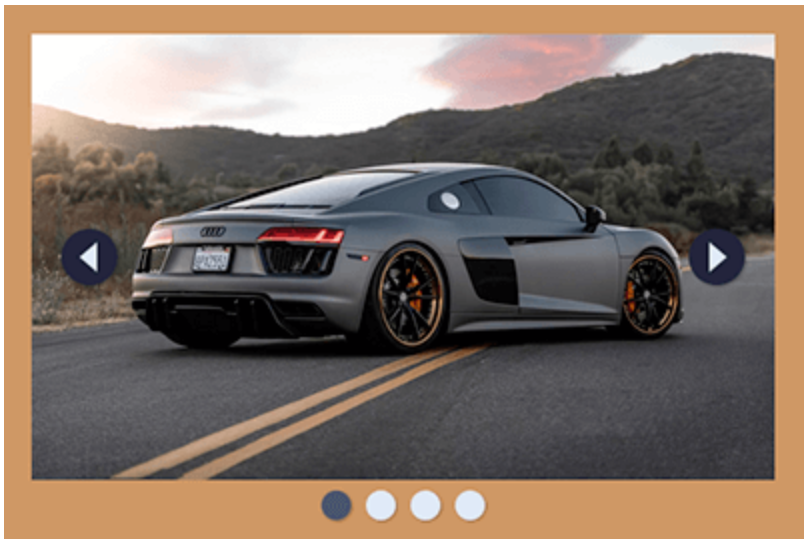

Hero Theme (MetaSlider Pro only)

This theme emphasizes the active slide by scaling it larger than the surrounding slides, creating a hero-like focal point that draws the viewer's attention.

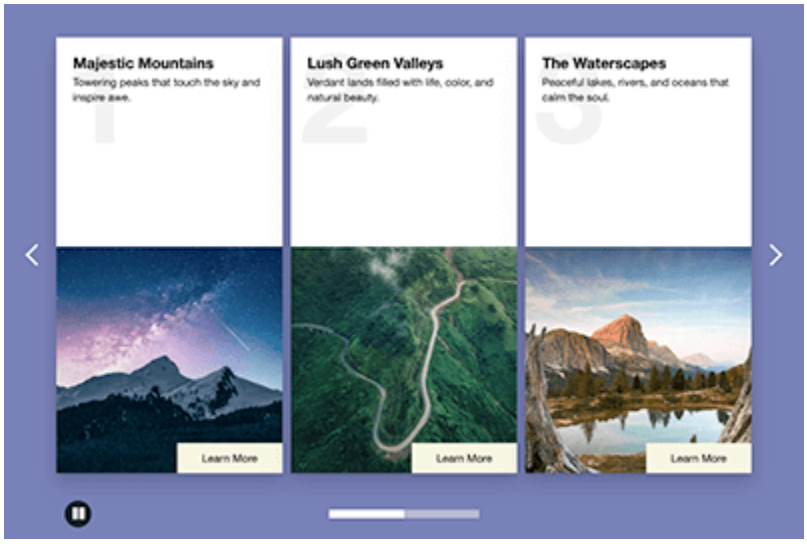

Revelio Theme (MetaSlider Pro only)

Revelio is a theme that unveils captions and a button when you hover over the image. This adds a dynamic touch to portfolios and showcases.

Visage Theme (MetaSlider Pro Only)

Visage is a modern slideshow theme with captions positioned at the top, showcasing features with sleek elegance.

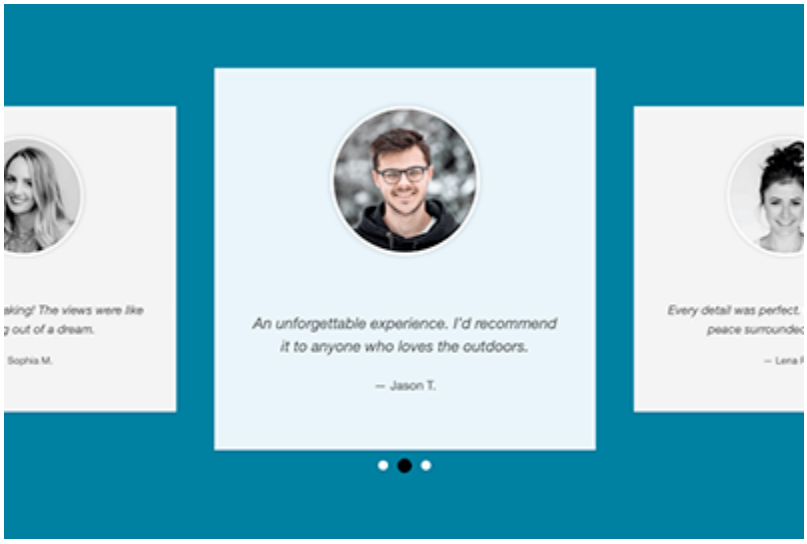

Focus Theme (MetaSlider Pro only)

This theme emphasizes the active slide by using grayscale and opacity for the surrounding slides, creating a focal point that draws the viewer's attention.

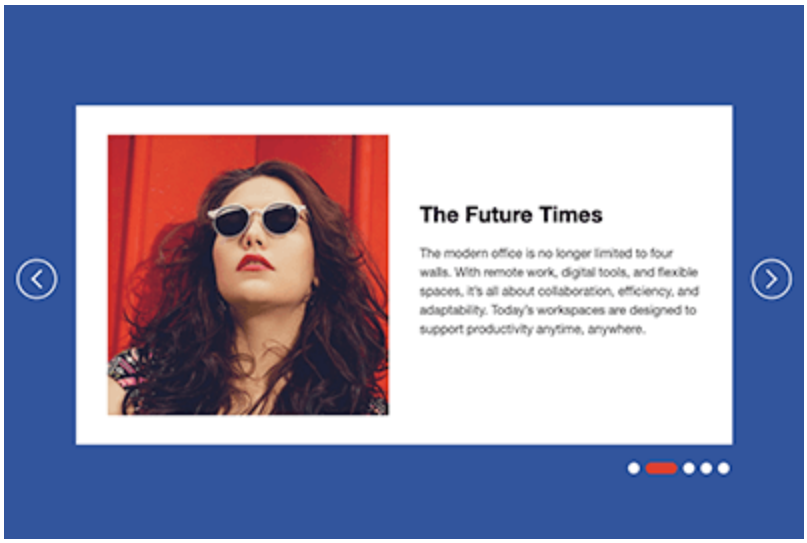

Praise Loop Theme (MetaSlider Pro only)

A dynamic theme to display testimonials and client logos. This theme emphasizes the active slide by using grayscale for the surrounding slides.

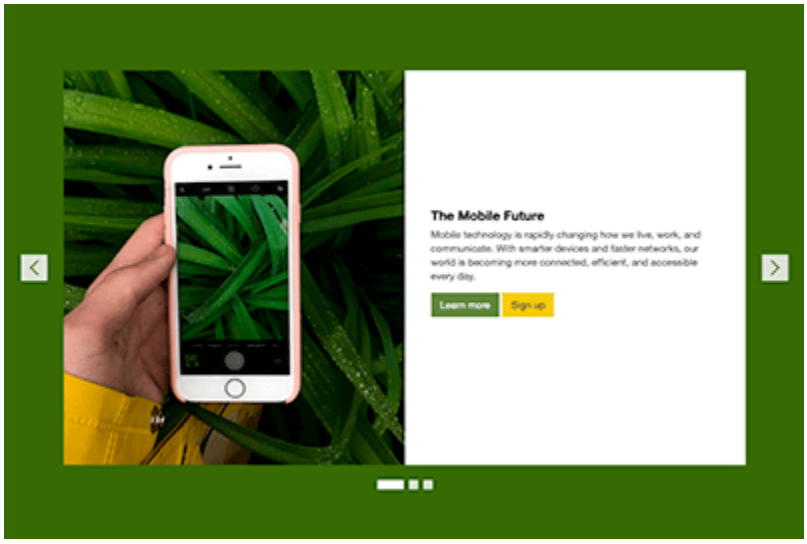

Parallel Theme (MetaSlider Pro only)

A 2-column stylish theme to showcase an image or video alongside a larger text caption.

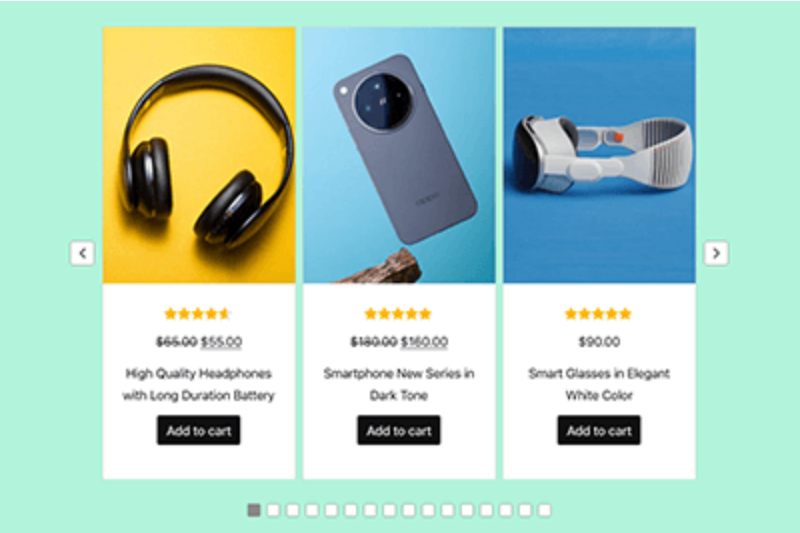

Tandem Theme (MetaSlider Pro only)

A stylish 2-column theme to showcase an image or video alongside a larger text caption.

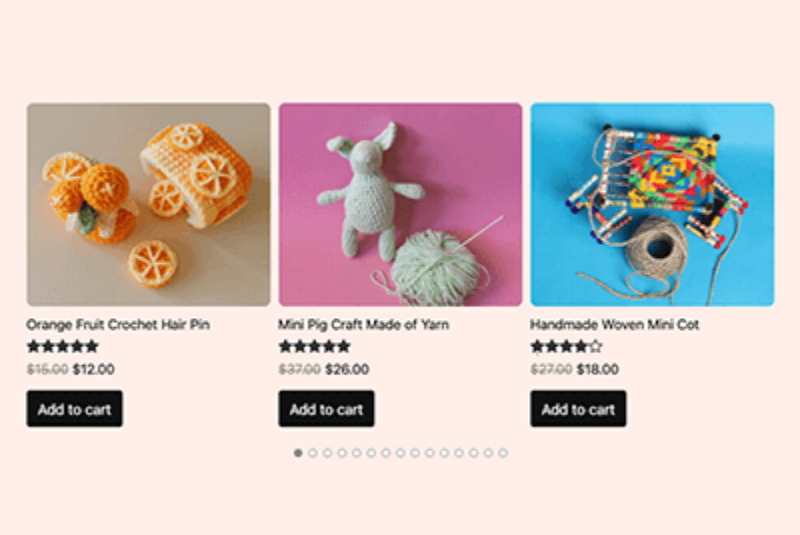

Zonora Theme (MetaSlider Pro only)

A theme built for WooCommerce to show your products with ratings, prices, an "Add to cart" button and more.

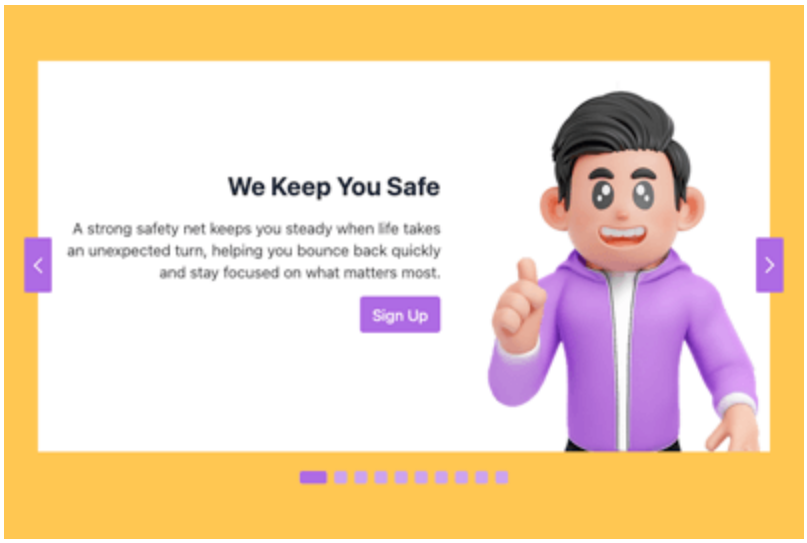

Handimart Theme (MetaSlider Pro only)

A carousel theme built for WooCommerce user to show your products with ratings, prices, an "Add to cart" button and more.

Nami Theme (MetaSlider Pro only)

Nami provides 2 columns to split your images and captions. By default, the caption takes two-thirds of the slideshow.

Undertone Theme (MetaSlider Pro only)

The Undertone theme has a clean, modern design and provides a large space under the slideshow for your caption.
