How to Build the WooCommerce Slider Demo

https://www.metaslider.com/docs/woocommerce-slider-demo/

This guide shows you how to create the design seen for the WooCommerce Product Slider demo from the MetaSlider Demo site.

WooCommerce Sliders can dynamically display products created using WooCommerce, using the featured image as the slide. Click here for a more detailed guide to this integration.

To get the same look for your slideshow, use the settings in these screenshots below. This slideshow is not using a specific theme. Please note that these screenshots are taken with MetaSlider Pro. This slideshow can't be built with the Free version.

Main Options

Width	1200 px
Height	600 px
Effect	Fade
Arrows	
Navigation	Hidden
Thumb Width	150 px
